

# QUIET TIME

## **What are you sure is true?**

How are you growing?

What is majestic?

What colors look nice together?

## **Who loves you?**

What makes someone humble?

What animals are in your neighborhood?

What gets you really excited?

## **What good things are in your future?**

How is your story epic?

## **How are you excellent?**

How has someone helped you?

## **Who makes you feel important?**

What kind of jokes are the funniest?

## **What are you talented at?**

What shapes can you see in the clouds?

What are words that rhyme?

## **What is beautiful to you?**

What feelings have you had today?

**I'M THE ONLY ME THERE WILL EVER BE!**
